MEMORANDUM FOR: Training Liaison Officers (for distribution)

25 YEAR RE-REVIEW

SUBJECT: Orientation Lecture Series on the Soviet's European
Satellites and Yugoslavia

1. The following series of lectures is scheduled for spring. The series follows the general pattern of the Orientation Lecture Series on Russia. Each presentation will be followed by a fifteen-minute question-and-answer period. In addition to the talks listed below, it is probable that further announcements will be made of special lectures on Russia and East Europe by speakers of outstanding experience and prominence associated with universities, governmental agencies and the Foreign Service.

2. Although it is recommended that listeners attend all lectures, they may register for separate lectures. Attendance may be arranged by contacting Training Liaison Officers, who will submit the names of those persons desiring to attend, to the Registrar, OTR.

3. Registration warranting, two presentations weekly will be made. Otherwise, the only presentation offered will be on the first of the two dates indicated. Lectures will be given from 1445 to 1645 hours, in Room 117 Central Building. Further information may be obtained by calling Extension
